## Welcome, to Nancy's Vintage Tea Shop

*Why 'Vintage'? Well, we are in a building that's one hundred and twenty five years old, but it's about much more than that.*

When you step through the door you enter an oasis of tranquillity, comfort, old world charm and service.

All our dishes are freshly prepared and cooked on the premises including our range of cakes and fancies by our head chef.

Afternoon tea is our speciality and changed regularly to make each visit unique.

Tea, the most refreshing drink, is at the heart of our offer and I am delighted to serve a selection of different teas which have been specially blended for Nancy's Vintage Teashop. But it does not stop there! Whether you come in for breakfast, a mid-morning break, lunch or afternoon tea, you will be served with mouth-watering delicacies either created on the premises or sourced locally.

My desire is to recapture traditional standards of service and quality in a unique setting where you can relax and enjoy anything from an individual teapot to homemade cakes and delights.
